**INTERSTATE ROADWORK**

**Interstate 81**

- Exits 165A-175: Northbound and Southbound, Wilkes-Barre, Wilkes-Barre Twp, Plains Twp., Luzerne County. Herbicide Spraying Monday (6/16) to Thursday (6/19) 7am to 3pm.
- Exits 180-178A: Bridge rehabilitation work is southbound with two lanes of travel. A stop sign on the ramp from Moosic controls merging traffic. Project includes construction of temporary crossovers and complete re-decking of three bridges between Exit 178A (Avoca) and Exit 180 (Moosic). Work is **SOUTHBOUND ONLY**. Northbound 81 has no restrictions at this time. **NORTHBOUND** work starts in the Fall 2008 or Spring 2009. Crews will work through winter. Anticipated completion late summer 2009.
- Exits 182-184: **NORTHBOUND**, Lackawanna County, patching and crack sealing scheduled Saturday (6/14) between Exit 182 (Davis Sr.) and Exit 184 (River St.) **RIGHT LANE RESTRICTED** 5am to Noon.
- Exit 184 (River St.) Off-ramp of I-81 NB: Construction will begin soon on the widening of the River St. off-ramp at River St and East Mountain Rd. and the installation of a signal at the top of the ramp. Attention will be given to possible traffic backup on the ramp during peak times. **DRIVERS ALERT:** Watch for flagging and police presence enabling the safe and efficient movement of traffic through the work zone.
- Exit 185: Outgoing from Scranton, the right lane of the Central Scranton Expressway will be restricted Monday (6/16) thru Friday (6/20) for tree cutting and trimming. Work is 8:30 AM to 2:00 PM.
- Exit 190 (Dickson City/Main Ave. – Viewmont Mall) NB & SB re-decking of the bridge over Business Route 6. Completion November 2009. Single lane traffic for night time shoulder widening work, Sunday 8pm to through Thursday morning 6am. Once bridge work begins, expect two lanes of travel, traffic pattern switches and merging traffic controlled by stop signs starting the end of June/beginning of July. **DRIVERS ALERT: INTERCHANGE RAMP AREA WILL EXPERIENCE BACKUPS. TAKE CARE IN UTILIZING RAMPS AS TRAFFIC WILL**

## SHARE LANES AT THIS POINT.

- Exits 191-194: NORTHBOUND bridge and road repairs continue between Exit 191(Dickson City/Scranton Expressway) and Exit 194 (Clarks Summit). DRIVERS' ALERT! WATCH FOR SIGNS DIRECTING MOTORISTS TO USE BOTH LANES THROUGH THE MERGE POINT. PILOT PROJECT BEGINS SOON, PROVIDING LENGTH OF TIME FOR TRAVEL THROUGH WORK ZONE. This will be a long-term lane closure, first NORTHBOUND and then SOUTHBOUND through June 2009. Work includes over 5 miles and 11 bridges Northbound between Exits 191 and 194 & Southbound between Exits 191A and 197. First phase could be complete by the Fourth of July holiday, with the next phase, Exits 194-197 NB & SB starting after that holiday. Work is 7a.m. to 5 p.m. at:

- Mile 192 over Route 442, Burcher Ave (2 bridges)
- Mile 193 over Route 1027, Layton Rd. (2 bridges)
- Mile 194 over Route 4019, Edella Rd. (2 bridges)
- Mile 195 over Route 4028, Fairview Rd. (2 bridges)
- Route 632 over I-81 N& S, Exit 197 (Waverly)
- Route 1031 over I-81 N& S
- Route 2109 over I-81 – ROAD CLOSED thru summer. DETOUR: JOHNSON ROAD. (2 MILES)

- Exits 206-211: NORTHBOUND & SOUTHBOUND. NB driving lane closed; SB passing lane closed for single lane travel through the work zone. Barriers will be maintained 24/7. Work is 7am to 5pm and includes rehabilitation of 14 bridges and two deck replacements over 7.4 miles from Route 209 to Sunset Lake Rd.(T-314) Lehman Township, Susquehanna County. Anticipated completion is 2009. Bridges being done this year are:

- Mile 206.1 over Route 374 between Exit 206 (Glenwood-Lenoxville) and Exit 211 (Lenox) (2 structures). DETOUR HAS BEEN REMOVED; Road is open.
- Mile 206 over Route 436 between Exit 206 (Glenwood-Lenoxville) and Exit 211 (Lenox) (2 structures)
- Mile 208 over Route 2016 between Exit 206 (Glenwood-Lenoxville) and Exit 211 (Lenox) (2 structures)
- Exit 211-217, Lenox & Harford Twps, Susquehanna County. NORTHBOUND. Right lane restrictions for pothole patching between Exit 211 (Lenox) and Exit 217 (Harford) Monday (6/16) to Thursday (6/19). Work is 7AM to 3PM. Expect Delays.
- Exit 230, Great Bend-Susquehanna (Hallstead): NORTHBOUND. Single lane for bridge work to third week in June. Continuous lane restriction. EXPECT DELAYS. Alternate: Rte 11 parallels I-81.

## Interstate 84

- Exit 17 (Newfoundland/Hamlin), Sterling Twp: Eastbound. Bridge deck repair and pothole patching Monday (6/16) Drivers Alert: Left lane closed 7am to 3pm
- Exit 17 (Newfoundland/Hamlin), Sterling Twp: Westbound. Bridge deck repair and pothole patching at Exit 17 (Newfoundland/Hamlin) Tuesday (6/17) & Wednesday (6/18) Left lane closed 7am to 3pm
- Exits 26-53: Work continues on the interstate bridge preservation project between Exit 26 (Tafton/Promised Land State Park) and Exit 53 (Matamoras). DRIVERS ALERT: Be alert for changing traffic patterns on the Route 6 bridge over I-84 near Exit 46 (Milford). Anticipated

completion December 2008. Includes:

- Mile 25.8 over Mountain Rd. between Exit 20 (Greentown/Lake Wallenpaupack) and Exit 26 (Tafton/Promised Land State Park). EB
- Mile 26.4 over Route 390 at Exit 26 (Tafton/Promised Land State Park) EB
- Mile 47.0 over Schoccppee Creek & Route 428 between Exit 46 (Milford) and Exit 53 (Matamoras) EB
- Mile 47.1 over Sawkill Creek between Exit 46 (Milford) and Exit 53 (Matamoras)
- Mile 50.5 over Rte 1013 Cummins Hill Rd. between Exit 46 (Milford) & Exit 53 (Matamoras) EB
- Mile 53.0 over Route 6 at Exit 53 (Matamoras) EB
- Route 6 over I-84 at Exit 46 (Milford)
- Exits 34-46: Eastbound. Pothole patching Monday (6/16) through Thursday (6/19) between Exit 34 (Lords Valley/Dingman's Ferry) and Exit 46 (Milford ). Alternating lane restrictions 7 AM to 3 PM

Interstate 380

- Exits 20-13: Southbound. Crack sealing between Exit 20 (Daleville) and Exit 13 (Gouldsboro) Lackawanna County. Monday (6/16) and Tuesday (6/17) from 7 A.M. to 3 PM. DRIVERS ALERT: Right lane restricted.
- Exits 20-24: Northbound & Southbound. Bridge rehabilitation between Exits 20 (Daleville) and 24 (Scranton/Milford). DRIVERS ALERT: Alternating lane closures from Gouldsboro to the I-84/380 split. Work will last into November 2009. Included are:
  - o Route 307 at I-380 NB & SB
  - o Route 2018 at I-380 CLOSED through winter: DETOUR Routes 502 and 435
  - o Route 502 Over I-380 N & S
  - o Route 380:
    - ♣ Mile 14 over Route 2013 between Exit 13 (Gouldsboro) and Exit 20 (Daleville) (2 structures)
    - ♣ Mile 21 over Route 690 and Van Brunt Creek between Exit 20 (Daleville) and Exit 22 (Moscow)
    - ♣ Mile 21.1 over Route 690 between Exit 20 (Daleville) and Exit 22 (Moscow)
    - ♣ Mile 23 over Route 2010 between Exit 22 (Moscow) and Exit 24 (Scranton/Milford)
    - ♣ Mile / Exit 24 (Scranton/Milford) NB & SB

## NON-INTERSTATE ROADWORK

LACKAWANNA COUNTY:

BRIDGE WORK: Alternating lane restrictions, flagging operations 7am to 3pm

Route 2004, Madison Township: Bridge repairs, drainage improvements Wednesday (6/18) through Friday (6/20)

Route 6 (Business Route 6, the Scranton Carbondale Highway) Archbald: Monday (6/16) through Friday (6/20) from 7 AM to 3 PM

Route 247, Jefferson Township Monday (6/16) through Friday (6/20) from 7 A.M. to 3 PM.

Route 502, Springbrook Township Wednesday (6/18) through Friday (6/20) from 7 A.M. to 3

PM.

Route 3013 (Main Ave.) Scranton: Monday (6/16) and Friday (6/20) from 7 AM to 3 PM.

Route 3024 (Main St.) Moosic: Wednesday (6/18) through Friday (6/20) from 7 AM to 3 PM.

LINE PAINTING: Slow-moving operation, Delays, 6:30am to 6:30pm WEATHER PERMITTING

Monday (6/16):

Route 348 from Route 435 to 590

Route 247: From Route 348 to Route 6006 (Scranton – Carbondale Highway)

Route 1014; Route 1018; Route 1016

Tuesday (6/17):

Route 247 from Route 6 to 107

Route 107 from Route 6 to 247

Route 247 to Route 2008

Route 247 to Route 106, from Route 6 to Carbondale

Wednesday (6/18):

Route 171 from Carbondale to the Susquehanna County Line at Route 247

Thursday (6/19):

Route 347 from 4028 to 1037; Route 1037

ROAD WORK: Lane restrictions, Delays 7am to 3pm

Route 307 (Keyser Ave) Scranton: Pipe flushing Monday (6/16) and Tuesday (6/17)

Route 524 (North Abington): Pipe replacement Monday (6/16) through Friday (6/20)

Route 4022 (Northup Hill Road) West Abington Twp: Ditching Monday (6/16) through Friday (6/20)

PAVING: Single lane restrictions, Delays 6am to 8pm

Route 2009 (Lathrop Township), between intersection of Rt 3023 & Rt 2096. Monday (6/16) to Saturday (6/21)

Route 2046, between intersection of Route 92 & Route 171. Saturday (6/14) and Monday (6/16)  
Availability of material and weather permitting.

CONSTRUCTION PROJECTS: Lane restrictions, Delays, Detours

Route 435, Moscow Borough: Shoulder work on bridge over VanBrunt Creek will be completed the end of July.

Route 442, Burcher Avenue Bridge, South Abington Township: Bridge will close on Monday (6/16) for replacement. DETOUR is Robinson Street and Layton Road. Project was awarded to the Fahs Construction Group for a bid of \$877,000. Work includes removal of an existing steel/timber single span bridge and replacement with a single span composite pre-stressed spread box beam bridge, concrete curbing and sidewalk, bituminous approach work, drainage and pavement markings. Anticipated completion is Summer 2009.

RESTRICTIONS & CLOSURES: Detours, weight restrictions

Route 502, Moosic: Single lane with a temporary signal.

Route 438: Bridge over branch of the Tunkhannock Creek, Scott Township. Single lane, with stop sign; posted 15 tons, except combinations, 20 tons.

Route 3013 (Main Avenue) Bridge, Taylor. Posted 10-ton weight limit. Detour on Union Street for trucks over 10 tons: from the Stauffer Industrial Park to Route 3011 (Keyser Ave.) to Route 3010 (Union St.) to Route 3013. Trucks accessing the Norfolk Southern Intermodal yard are not affected by this detour.

#### LUZERNE COUNTY:

POTHOLE PATCHING, CRACK SEALING: 7am to 3pm

Route 118, Lehman Twp. Monday (6/16)–Friday (6/20)

Route 309 (North Cross Valley Expressway) Southbound between Exit 2 (Wilkes-Barre Center City) and I- 81 junction, Monday (6/16) through Thursday (6/19)

Route 2007 (Laurel Run Rd.), Bear Creek Twp., Monday (6/16)–Friday (6/20)

Route 3006 (Nuangola Rd.), Nuangola Borough: Monday (6/16)–Friday (6/20)

ROADWORK, 7am to 3pm

Route 2007 (Laurel Run Rd), Bear Creek Twp: Ditch cleaning Monday (6/16) to Friday (6/20)

Route 3015, Nescopeck Borough. Stop sign will be removed from the intersection of Route 3015 (Broad St) and PA 339 during the week of (6/23). There will be message boards to alert drivers the week prior to and during the removal. BE ALERT WHILE DRIVERS ADJUST TO THIS CHANGE.

CONSTRUCTION PROJECTS: Lane restrictions, Delays, Detours

Wilkes-Barre Downtown Lighting Project, Phase 3: Project will begin soon will begin soon installing decorative lighting on Franklin, Washington, Union and Northampton streets in downtown Wilkes-Barre. Work will not impact vehicle or pedestrian traffic, but caution should be taken around work zones. Anticipated completion is July 2009.

Route 11, Berwick, at the Luzerne County/Columbia County line: Sewer pipe installation on Route 11 will detour traffic onto Fowler Ave. and left onto Second St. Monday (6/16) through Monday (6/23). Expect delays northbound; no detour necessary. Work is 7am to 5pm. Road will be open evenings.

Route 93, Conyngham Borough / Sugarloaf Twp: Widening work will add a turning lane between Exit 256 on I-80 and Exit 145 on I-81. DRIVERS ALERT: Work on the right side of the road includes installation of curbing and paved overlay in the widened area. Work will likely switch to the opposite side of the road in late July. Watch for periodic daytime lane closures with occasional single lanes of traffic between 7am and 5pm.

Route 309, North Cross Valley Expressway:

- Exits 3-2: SOUTHBOUND between Exit 3 (Wilkes-Barre/Plains, River St.) and Exit 2 (Wilkes-Barre Center City). Two thru-lanes and an exit lane, 7am to 3pm

- Exits 4-6: Crews will begin to place signage and to mobilize equipment the week of June 9 for the bridge preservation project on the Kingston side of the river, west of Route 11, between Exit 4 (Kingston/Forty Fort.) and Exit 6 (Luzerne). Shoulders will be built up and paved in

preparation for the work. While work will be daytime, effort will be made to keep work out of peak daytime hours. Traffic will then be pushed to the shoulders as work begins, northbound & southbound, in the passing lanes. Permanent concrete barriers will be set in place, possibly the end of next week (June 18-20) and will remain in place full-time as deck work ensues. ONE LANE WILL BE CLOSED IN EACH DIRECTION for construction, but the remaining driving lane and the ramp lane will be reconfigured and will both act as through-lanes. The ramp lane will double as a ramp lane and as a through-lane; the second lane will be a dedicated through-lane. Traffic leading onto the expressway will be controlled by stop signs to enable the merge. Work will move to the underside of the bridge during winter and the barriers will be removed. Barriers will be restored in Spring 2009 and will remain in place as deck and surface construction continues. Susquehanna Supply Company, Inc. will repair the bridge deck, seal joints and encapsulate 5 piers. Work will last through summer 2009. ANTICIPATE SOME RECONFIGURATION OF LANES BUT NO APPRECIABLE DELAY OUTSIDE OF WHAT IS NORMALLY EXPERIENCED ON THIS ROUTE. More information regarding the timetable, direction of work, traffic patterns and restrictions included in the first phase will be released as soon as they become available.

Route 315, Plains Township: Northbound & Southbound. Removal and repainting of paint lines Tuesday (6/17) in vicinity of Mohegan Sun entrance, just north of Jumper Rd. between 7am and 6pm. ALSO DRIVERS ALERT: Signal activation the morning of Wednesday (6/18). No restrictions to traffic, but be aware of new traffic patterns and flagging operation. Expect congestion and delays.

Route 315 & Oak St., Pittston: Oak Street right turning lane open. Route 315 NB: left turning lane and Route 315 Southbound left lane will both be closed until Friday (6/20) Work is 7am-4pm. All lanes OPEN in the evening.

Route 1035 (Cider Run Road) Franklin Twp: Bridge replacement will continue through end of June.

Routes 2004-2024. (River St. & Main St.): Water line installation until mid-June on Main St., Pittston, from the intersection of Route 2004 (River St.) and Route 2024 (Main St.), north through town to the Fort Jenkins Bridge.

**RESTRICTIONS & CLOSURES:** Detours, weight restrictions

Route 1021, (8th Street Bridge) Wyoming Borough and Jenkins Twp: PennDOT has posted a reduced weight limit of 32 tons for single and 40 tons for combination vehicles on this structure. Replacement is set for spring 2009. Recommended alternate route for trucks is via Route 2004 River Street, South to Route 309 Cross Valley, North from Exit #3 to Exit #4 to Route 1005 Rutter Avenue to Route 1005 River St. to Route 11 Wyoming Avenue North.

Route 3014 (Dump Hill Rd): the bridge over Nescopeck Creek, Nescopeck, Southern Luzerne County, has been weight restricted to 6 tons or 1 truck.

Route 7304, the Regent St. Bridge over Solomon Creek: This is a local bridge project administered for the City of Wilkes-Barre. Work will continue through the summer.

**PIKE COUNTY:**

**BRIDGE WORK:** Lane restrictions Monday through Friday, 7am – 3pm

Route 4004 (Blooming Grove Rd)

Route 4006 (Tow Path Rd.) Lackawaxen

**POTHOLE PATCHING, CRACK SEALING:** Lane restrictions, Delays 7am – 3pm

Routes 2009 (Raymond Skill Rd.) Dingmans Ferry: Pothole patching Friday (6/20) 7 AM to 3 PM

**ROAD WORK:** Lane restrictions, Delays 7am – 3pm

Route 739 to Five Mile Meadow Rd., Dingmans Ferry to Blooming Grove: Pipe replacement

Route 1012 Lackawaxen/German Hill Rd, Shohola: Sign repair

Route 1014 Masthope Plank Rd Lackawaxen: Shoulder cutting and shoulder grading

Various locations: Mowing

**CONSTRUCTION PROJECTS:** Lane restrictions, Delays, Detours

Route 434 (Well Road): Route 6 where it intersects with Route 434. Project has 4 work areas:

1) Route 739 between I-84 and the intersection with SR 434. A sharp curve will be removed.

**DRIVERS ALERT:** Watch for a single lane of traffic controlled by a signal.

2) Curbing and similar drainage work will be done at the intersection of SR 739 and 434. No work has started at this location.

3) On Route 434 in between Route 739 and SR 6, a sharp curve will be removed. Traffic will be controlled by a temporary signal. Clearing phase is complete. No work currently at this location.

4) On Route 6 at the intersection with Route 434: 434 will be realigned to meet Route 6 at a perpendicular angle. (Currently there is a jog to meet Route 6.) **DRIVERS ALERT:** Temporary signal has been activated to control a single lane of traffic.

Work will continue through fall 2008. Two lanes of travel will be maintained throughout the project and controlled by the temporary signals. **DRIVERS ALERT:** Be aware of construction vehicles and crews. Travel could be slow.

**RESTRICTIONS & CLOSURES:** Detours, weight restrictions

Route 2006: Bridge over Dwarf Kill Creek has been down-posted to one truck at a time with a weight limit of 24 ton or 35 tons for combinations.

**SUSQUEHANNA COUNTY:**

**BRIDGE WORK:** Road Closure, Signed detours. Delays 6am to 4:30pm

Route 1039, Bridgewater Township: Monday (6/16) to Friday (6/20).

Route 2032, Brooklyn Township: Thursday (6/19) to Friday (6/20).

Route 3023, Rush Township: Monday (6/16).

Route 3029, Jessup Township: Tuesday (6/17) to Wednesday (6/18).

**POTHOLE PATCHING, CRACK SEALING:** Lane restrictions, Delays 7 AM to 3 PM

Route 11, Lenox and Harford Townships: Monday (6/16) to Friday (6/20)

Route 1039(Williams Pond Rd), Bridgewater Township: Wednesday (6/18)

Route 2055, Brooklyn Township: Monday (6/16) and Tuesday (6/17)

Route 4002 Silver Lake Township Thursday (6/19) and Friday (6/20)

**ROADWORK:** Lane Restrictions, Delays 7am to 3pm

Route 2004, Springville Township: Pipe replacement, Monday (6/16) to Friday (6/20)

Route 2045, Lenox Township: pipe replacements Monday (6/16) to Friday (6/20)

Route 3002, Auburn Township: shoulder cutting & ditching Monday (6/16)

Route 3003, Auburn Township: shoulder cutting & ditching Tuesday (6/17) & Wednesday (6/18)

Route 3005, Auburn Township: shoulder cutting & ditching Thursday (6/19) & Friday (6/20)

**MILLING & PAVING:** Single lane restrictions, Delays 7am to 3pm

Route 858, Apolacon Township: Friday (6/20).

Route 3023, Dimock Township: Monday (6/16) to Thursday (6/19).

**CONSTRUCTION PROJECTS:** Lane restrictions, Delays, Detours

Route 7407 (Shaughnessy Rd.), Little Meadows Borough: Replacement of the bridge over Apolacon Creek. A temporary road will be constructed to maintain traffic. Anticipated completion is August 2008.

**RESTRICTIONS & CLOSURES:** Detours, weight restrictions

Route 106, downtown Clifford. Temporary signals in place for single lane of traffic.

Route 723, Mill Road, Liberty Twp.: Road is closed at the bridge over Rhiney Creek for construction. Detour (6.65 miles): Mill Road to Tripp Lake Road to Route 4002 to Patton Road to Lower Rhiney Creek Road.

Route 1001, over branch of Tunkhannock Creek, Gibson Twp: Single lane bridge with temporary stop sign.

Route 1009, Harmony Twp.: Single lane bridge with temporary stop sign.

Route 2040 (Skyline Drive) at Intersection of Main St. and Intersection of Lower Rd./Church St./Stillwater Rd., Uniondale Borough: Restricted to a single center lane. Legal loads permissible. Traffic is controlled by a stop sign.

Route 3001, Clifford Twp.: Single lane bridge with temporary stop sign.

Route 3027, Jessup Township: Signals control traffic on one-lane temporary bridge.

Route 3029, Forest Lake Township: The bridge over Forest Lake Creek, 3 miles north of Route 706 has been posted with a weight limit of 18 tons, except combinations, 32 tons and is limited to one truck.

Route 3029 over East Branch Wyalusing Creek, Jessup Township has been posted, because of deterioration, for 28 tons, except combinations, 34 tons.

**WAYNE COUNTY:**

**BRIDGE WORK: Road Closure, Signed detours, Delays**

Route 4031, Mount Pleasant Twp: deck repair. Thursday (6/19) & Friday (6/20) 7am-3pm

**POTHOLE PATCHING, SEALING: Lane restrictions, 7am – 3pm**

Route 370, Buckingham Twp: Thursday (6/19) 6am to 6pm

Route 6, Canaan Twp: Monday (6/16) & Friday (6/20)

Route 247, Clinton Twp: Monday (6/16) & Friday (6/20)

Route 370, Buckingham Twp: Monday (6/16) & Friday (6/20)

Route 1004, Berlin & Damascus Twp (Hasse Road): Monday (6/16) to Friday (6/20)

Route 1017, Damascus Twp (River Road): Thursday (6/19) & Friday (6/20)

Route 2003, Texas Twp & Palmyra Twp (Long Ridge Road): Thursday (6/19) & Friday (6/20)

Route 3007, Sterling Twp (Neville Road): Thursday (6/19) & Friday (6/20)

**ROAD WORK: Lane restrictions, Delays, Monday to Friday, 7am – 3pm**

Route 4007, Buckingham Twp(Upper Woods Road): shaping unpaved road. Monday (6/16) & Friday (6/20)

Route 4019, Lebanon Twp (Niles Pond Road): shaping unpaved road. Monday (6/16) & Friday (6/20)

**CONSTRUCTION PROJECTS: Lane restrictions, Delays, Detours**

Route 6, Honesdale Borough: Removal of existing 4th Street concrete bridge is almost complete. Traffic will be maintained on this bridge during this process. Temporary signals in place for the next year at 4th & Church streets; and at 4th/Cliff & Willow streets. Traffic is reduced from 3 to 2 lanes, one lane each direction. Beams for the Church Street were set; work has started on the placement of deck pans, reinforcement steel prior to the placement of the concrete bridge deck surface tentatively scheduled for mid to late June. Park Street is closed with detour from East St. to Main St for pavement removal, curbing and paving to the bridge approach. Closure through August. Local access for residents provided. **DRIVERS ALERT:** New traffic patterns. Concrete barriers reduce the lanes widths and permitted loads are restricted to 10'6" through work zone. Do not block the intersections. Allow for left turns during peak time to facilitate traffic.

**DETOUR** for 12th Street at the intersection with Church St. Left turns only from Church onto 12th Street. Detour uses 11th Street to access 12th Street. Project includes construction of the Church Street Bridge over the Lackawaxen River; widening of the 4th Street Bridge, turning traffic one-way on Main and Church streets, adding new traffic signals. Work is Monday through Friday, 7am to at least 5pm.

Route 170 bridge over the Lackawaxen River, Clinton Township: Mobilization will begin this week for upcoming rehabilitation of the bridge. Traffic will be reduced to a single lane controlled by a stop sign. Susquehanna Valley Construction Corporation was awarded the project for a bid of \$728,864. Anticipated completion is November 2008.

Route 191, Bridge over Dyberry Creek: Construction continues.

Route 3020 bridge over the outlet of Lake Quinisigamund, South Canaan Township, is now open.

**RESTRICTIONS & CLOSURES:** Detours, weight restrictions  
Route 590, Lake Genero, Salem Township: Shoulders closed on downposted bridge.

**WYOMING COUNTY:**

**BRIDGE WORK:** Lane restrictions 6am to 4pm  
Route 3001, Windham Twp: Monday (6/16) to Thursday (6/19)

**POTHOLE PATCHING, CRACK SEALING:** Lane restrictions, Delays 7am to 3pm  
Route 92, North, Nicholson Borough: Monday (6/16) to Thursday (6/19)  
Route 3005 (North Eaton Rd), Eaton Twp: Friday (6/13)

**ROAD WORK:** Lane restrictions, Delays 7am to 3pm  
Route 92 South, Falls Twp: Ditching work Monday (6/16) to Friday (6/20)  
Route 1029, Nicholson Twp: Pipe cross patching Friday (6/20)  
Route 3005, (North Eaton Rd), Eaton Twp: Pipe cross patching Monday (6/16) & Tuesday (6/17)  
Route 4001, Windham/North Branch: Pipe cross patching Wednesday (6/18) to Friday (6/20)  
Various Routes: Herbicide spraying Monday (6/16) to Friday (6/20)

**CONSTRUCTION PROJECTS:** Lane restrictions, Delays, Detours  
Route 29: Tunkhannock betterment project from Wal-Mart to the river, Eaton Twp. Work continues Sunday evening to Friday morning. Anticipated completion October 2008.

Route 87, bridge over the Susquehanna River, Mehoopany & Washington Twps.: A temporary signal at the intersection of Route 87 and Route 4002 controls a single lane of traffic during bridge rehabilitation. Anticipated completion is August 2008.
